Genie Francis and Tony Geary

The romance of "General Hospital's" Luke and Laura

made history, culminating in their wedding in 1981. Genie Francis (Laura) left the show shortly afterwards, and now, almost two years later, she has returned — but only for a short while. With Tony Geary's (Luke) expected departure in December, the end of an era may be in the making. Reminisce with these two actors as they look back on what the show has done for them and where they both intend to go from here!

What was in the brooch that fell into Erica Kane's hands on "All My Children"? How did "Guiding Light's" Tony meet Annabelle? On "Dynasty," why did Krystle walk out on Blake? These questions and more will be answered in our special section, when we highlight the year's storylines on all your favorite serials. Part I is in our next issue.

What makes the romance of DOOL's Marlana and Roman so special, the love story between GH's Holly and Scorpio so endearing, and the rapport between ATWT's Betsy and Steve so heartwarming? Chemistry, that's what! Susan Wilson explores this "special something" and finds out why some storylines work and some don't!

David Selby

"Falcon Crest's" sexy David Selby has that charisma which demands your attention, whether it be as Quentin on the defunct Gothic soap "Dark Shadows," as evil Michael Tyrone on "Flamingo Road," or as his current role, Richard Channing. In Meredith Brown's candid interview, she reveals the person beneath David Selby. Don't miss it!
